---	--

Ronnie Sloan, FACHE, President

OBH is a 21-bed acute care facility offering the latest in healthcare advances and technology including cancer care, general surgery, orthopedic surgery, gynecologic surgery, emergency, birthing, imaging, diagnostic, rehabilitation therapy services and inpatient care. The hospital is a partnership between Vidant Health in Greenville, North Carolina and Chesapeake Regional Healthcare. OBH is fully accredited by the Joint Commission on the Accreditation of Healthcare Organizations.

Cancer Resource Center Medical Office Building 4810 S. Croatan Hwy, Suite 220, Nags Head 27959	449-8265 cancerinfo@theobh.com www.theobh.com Open Mon. to Fri., 9AM to 5PM. & by appointment
---	--

The OBH Cancer Resource Center is dedicated to helping patients with cancer better understand their diagnosis and treatment and adjust to the changes that a cancer diagnosis brings. The Center offers a comfortable place to sit and browse the extensive library of resources including brochures, medical literature and local resources available to help people dealing with cancer. Trained personnel are available to assist with online computer searches as well. The image boutique has a variety of head coverings and wigs available that have been provided by the generosity of the community. All services of the Center are provided at no cost.

OBH Cancer Outreach 4810 S Croatan Hwy, Suite 112, Nags Head, 27959	Clinic Open 8AM-5PM Mon.-Fri. 449-8265
--	---

Two speciality nurse navigators are available to consult with cancer patients and their families and assist them with cancer care coordination. The nurse navigator helps patients understand their diagnosis, reviews available resources including transportation, residential assistance & gap coverage & troubleshoots delays/barriers to care. This free service is available to all residents of Dare Co. regardless of place of residence or institution providing medical care

The Outer Banks Hospital Hands of Hope Program 4810 S Croatan Hwy, Nags Head, 27959	449-4550 office
--	-----------------

Community volunteers are specially trained to support individuals and their caregivers facing a diagnosis of cancer. Examples include helping with errands, meals, transportation, respite care for the caregiver, light house or yard work and helping out with light office tasks. These volunteers set an example of caring for others. This is a free service.
