

# CHAPTER 8 - PUBLIC WORKS/UTILITIES

## DARE COUNTY PUBLIC WORKS DEPARTMENT

1018 Driftwood Dr., Manteo Mail: P.O. Box 1000, Manteo 27954	475-5880 Fax 473-5218
Edward Mann, Director	
Trash Collection	475-5895
Kitty Hawk and the unincorporated areas of the county have trash collection provided through the county government under contracts with the towns.	
Duck (255-1234), Manteo (473-2133), Nags Head (441-1122), and Kill Devil Hills (480-4080) and Southern Shores (261-2394) contract for their trash collection.	
All Dare Co. solid waste is sent to a commercially operated regional landfill located in Bertie County. Tipping fees are reflected in the towns' tax rate.	
NC statutes prohibit the following in solid waste sent to landfills: yard waste, aluminum cans, anti-freeze, tires, motor oil, lead acid batteries, paint, hazardous materials (pesticides, herbicides, chemicals, etc.)	

## RECYCLING

Recycling	County Recycling Coordinator 475-5890
There are several drop-off recycling centers in Dare Co. Most accept glass, aluminum and steel cans, some plastic (#1 & 2), paper, and cardboard. Some County centers accept used motor oil and old tires. Call 475-5890 for further information.

Control methods include trapping, surveillance, larviciding, spraying	

<b>Sewage Treatment</b>	
Dare Co. does not have a countywide wastewater treatment system. Manteo and Stumpy Point have their own wastewater treatment plants. Kill Devil Hills has a wastewater treatment plant with both commercial and residential customers that serve part of the Town. There are several private treatment plants that serve some real estate developments. Most county residents rely on individual on-site wastewater systems. Permits for installing new systems and repairing existing systems must be obtained from the Public Health Division, Environmental Health Unit.
