

The Dare League of Women Voters (LWV) and Mano al Hermano (MaH) would like to invite you to attend our *Community Care Faire* on Sunday, January 21, 2018 from 1 p.m. to 4 p.m. at the Nags Head Elementary School cafeteria.

We have realized that many in our community are unaware of the wonderful services and resources available to them. Thus, the purpose of the *Community Care Faire* is to showcase some of the organizations and agencies that serve our community, so that individuals who are in need of help are able to more easily access necessary resources. In an effort to ensure that our Latino community is also aware of these resources, the *Community Care Faire* will be a bilingual program.

There are thirteen organizations participating in the program. Each organization will be placed at a designated station in the cafeteria and will have approximately 3 minutes for a brief introduction of their organization at the beginning of the program. Afterwards, each will return to their designated station, where they will be visited by program attendees who may have questions. A list of participating agencies include:

Department of Health and Human Services,
Children & Youth Partnership
Dare Literacy Council and Family Literacy (Mano al Hermano)
Hotline
Dare County Transportation System
Community Care Clinic
Beach Food Pantry
Interfaith Community Outreach
Outer Banks Relief Services
Room in the Inn
Ruthie's Kitchen
GEM Day Services

We look forward to a fun and informative time! Please put it on your January calendar and help spread the word. If you can help with refreshments, decorations or Spanish interpretation, contact fkapinos@aol.com or Ama Frimpong at afrimpong@manoalhermano.com.

Sincerely,

Fran Kapinos
Co-president of Dare LWV

Ama Frimpong
MaH Executive Director
