

Advocate for the ERA

The Equal Rights Amendment guarantees equal legal rights for all American citizens regardless of sex. It was ratified by Virginia, the 38th requisite state, on January 27, 2020. It has yet to be published. The League has supported the fight for Constitutional equality since 1923: ***“Equality of rights under the law shall not be denied or abridged by the United States or by any state on account of sex.”***
